

Daniel Chavez

Jake doesn't work at a retail store. He just got paid yesterday and he doesn't plan on saving his money because he's not sure what to do with it. He's also about to go to a party that he's been invited to.

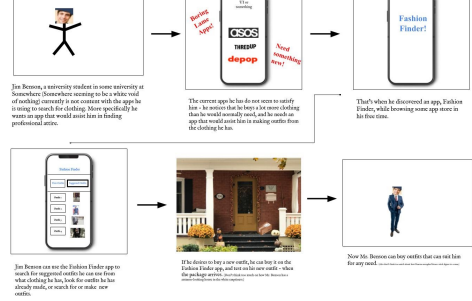

Jake installs the app and allows the app to connect to his bank account. He gets different clothing options from all of the top brand clothing companies! Jake sees what he likes but wonders what these clothes would look like on him.

Jake buys his clothes and he gets them through the mail. He goes to a party that very night. He meets this lady who thinks he looks stylish and wants his number... SUCCESS! He is also invited to his high school's homecoming dance away nervously after looking at Jake... ALPHA MALE STATUS

Jim Brown, a university student in some university at Southern University, is using the app to find out what he would like to wear to a party that he is going to go to. He is looking for a new outfit that he would like to wear to a party that he is going to go to.

Jim Brown can use the Fashion Finder app to search for different clothes to see what he likes. He can also see what other people are wearing and what they are wearing.

The current app he is using is not what he wants. He is looking for a new outfit that he would like to wear to a party that he is going to go to.

That's when he discovered an app, Fashion Finder, which showed some app were in his line of sight.

If he likes to buy a new outfit, he can buy it on the Fashion Finder app and see what he would like to wear to a party that he is going to go to.

Now Mr. Brown can buy what he can't find for any more... it's a new way to buy clothes.

EMMALEE

Clark is on his way to work today. He doesn't know what to wear, so he asks his son what outfit he should put on. When he gets to work, his co-workers are giving him funny looks and Clark starts to feel embarrassed. He needs a better way of picking out his clothes.

Clark's son tells him about this new app called Fashion Finder, to which you manually enter all the clothes you have in your wardrobe into the app and it makes and matches the best possible outfits for the season your attending.

Clark walks in to work, and everyone is staring at him. But this time, they're not laughing. They are all admiring how good he looks and asked him how he came up with such a good outfit. He is so happy because he didn't have to buy any new clothes and Fashion Finder made the best outfits for him.

Clark downloads the app, and enters every single piece of clothing he owns into the app. He checks out the box, "Office worker" and the app generates a fit for him to wear to work today.

Clark continues to use Fashion Finder for other occasions, such as the gym or going out to dinner with his family. He tells everyone about the app because it can save you time and money and give you the best possible outfit you couldn't even imagine.

Martin Luisa

Clark is a better in high school. He is a student in his class, but he doesn't know how to put the clothes together to make the optimal fit.

Clark starts through the app and sees that he can use the app to find out what he would like to wear to a party that he is going to go to.

Clark orders some new clothes from the Fashion Finder app and he gets them delivered to his house. He is so happy because he didn't have to buy any new clothes and Fashion Finder made the best outfits for him.
